

# Breakfast at Westerton

We take pride in serving fresh Scottish produce wherever possible.

We source "great taste" award winning bacon and sausages direct from Puddledub Pork, Auchtertool. We serve only free range Scottish eggs and locally baked bread from the Main Street Bakery, Callander.

Fruit juices, fresh fruit salad, spiced poached pears, a selection of breakfast cereals and fresh homemade yoghurt will be available on the buffet.

Tea, coffee and toast will also be served.
